

National Liberty Alliance

WHAT TO DO NOW?

A critical mass of People must become educated about their role and duty in securing Liberty as they organize Committees of Safety, “**being the lawful Committeeman**,” across America. Each county needs at least 200 members to control our government. As Jefferson said, “*We don’t have government by the majority we have government by the majority that participates.*” The COS addresses unlawful issues within their counties and state. And run campaigns to educate the People encouraging them to join the COS. There is no limit everyone is welcomed. And we must work with the County Sheriff against an overreaching government.

We all “**Pledged Allegiance to the Flag and to the Republic for which it Stands**” every day when we went to school (*unsure whether schools do that anymore*) and when we attend some major events and therefore we have a duty! We pledged it!!!

THE COS IS THE ONLY WAY WE CAN HAVE “GOVERNMENT BY CONSENT” - “*When a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, **it is their duty**, to throw off such Government, and to **provide new Guards** for their future security.” – **Declaration of Independence***

We Change the Guard via “Recall” and or Indictments

ONLY THE PEOPLE CAN SAVE AMERICA: “*Who will govern the governors? There is only one force in the nation that can be depended upon to keep the government pure and the governors honest, and that is the people themselves. They alone, if well informed, are capable of preventing the corruption of power, and of restoring the nation to its rightful course if it should go astray. They alone are the safest depository of the ultimate powers of government.” – **Thomas Jefferson***

Throughout the American Colonies, our Founding Fathers used Committees of Safety to organize and communicate ideas of Liberty that lead to the founding of our Common Law Republic. We the People can follow in their footsteps by forming Committees of Safety in our County, and by God's mercy and grace we can save our Republic. **IT'S OUR DUTY!!!**

NLA facilitates Education, Communications, and the Organizing of County Committees of Safety that will take back control of our “*Common Law Republic*” at the grassroots, where it belongs! NLA has 10,000 members Nationwide and has been Instructing Americans since 2013. We offer Free Foundational Studies, Civics Course, Constitution Course, and Militia of the Several States Course. For Premier Members we offer a Government by Consent Course and access to educational materials to learn how to file a court case. A Premier Member is one who is donating \$5 a month or more.

NLA offers other FREE Educational Material such as Federalist Papers, Anti-Federalist Papers, Biographies, Essays, Lectures, 5000 Year Leap, Hobbes, Locke, Hume, Newton, Memorandums of Law, Articles, Harmony of the Gospels, educational videos, and much, much, more. The key to “*Government by Consent*” is education, education, education!!!
