Many people are blissfully unaware that there are actually *two* mutually exclusive political jurisdictions within United States the country. Your citizenship status determines which of the two political jurisdictions you are a member of and you have an option to adopt either. This book describes how to regain the model on the right, the "Federal government", which we also call the "United States of America" throughout this book. We have prepared a table to compare the two and explain what we mean. The vast majority of Americans fall under the model on the left, and their own ignorance, fear, and apathy has put them there. The model on the left treats the everyone as part of the federal corporation called the "United States" the *federal corporation*, which is how the law defines it in [28 U.S.C. §3002\(15\)\(A\)](#). This area is also called "the federal zone" throughout this book. The "United States" first became a federal corporation in 1871 and you can read this law for yourself right from the Statutes at Large:

<http://famguardian.org/Subjects/Taxes/16Amend/SpecialLaw/DCCorpStatuesAtLarge.pdf>

Congress legislates for two separate legal and political and territorial jurisdictions:

1. The states of the Union under the requirements of the Constitution of the United States. In this capacity, it is called the "federal/general government".
2. The U.S. government, the District of Columbia, U.S. possessions and territories, and enclaves within the states. In this capacity, it is called the "national government". The authority for this jurisdiction derives from Article 1, Section 8, Clause 17 of the United States Constitution. All laws passed essentially amount to municipal laws for federal property, and in that capacity, Congress is not restrained by either the Constitution or the Bill of Rights. We call the collection of all federal territories, possessions, and enclaves within the states "the federal zone" throughout this document.

The U.S. Supreme Court confirmed the above when it said:

*"It is clear that Congress, as a legislative body, exercise two species of legislative power: the one, limited as to its objects, but extending all over the Union: the other, an absolute, exclusive legislative power over the District of Columbia. The preliminary inquiry in the case now before the Court, is, by virtue of which of these authorities was the law in question passed?"*  
 [Cohens v. Virginia, 19 U.S. 264, 6 Wheat. 265; 5 L.Ed. 257 (1821)]

These two jurisdictions are separate sovereignties, and the Constitution dictates that these two distinct sovereignties MUST remain separate because of the Separation of Powers Doctrine:

*"§79. This sovereignty pertains to the people of the United States as national citizens only, and not as citizens of any other government. There cannot be two separate and independent sovereignties within the same limits or jurisdiction; nor can there be two distinct and separate sources of sovereign authority within the same jurisdiction. The right of commanding in the last resort can be possessed only by one body of people inhabiting the same territory, and can be executed only by those intrusted with the execution of such authority."*  
 [Treatise on Government, Joel Tiffany, p. 49, Section 78;

Table 1: Two Political Jurisdictions within our Country

<b>TWO POLITICAL JURISDICTIONS WITHIN OUR COUNTRY</b>		
<b>Characteristic</b>	<b>"National government"</b>	<b>"Federal/general government"</b>
Also called	"United States" the Corporation	"United States of America"
Geographical territory	Federal zone	50 states of the Union
God that is worshipped: See Matt. 6:24	Mammon/man/government (Satan) Idolatry One nation under "fraud"	God One nation under "God"
Freedom and liberty	Counterfeit, man-made freedom.	Liberty direct from God Himself:

	<p>Freedom granted not by God, but by the government.</p> <p><i>"Can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are of the gift of God? That they are not to be violated but with His wrath?" [Thomas Jefferson: Notes on Virginia Q.XVIII, 1782. ME 2:227]</i></p>	<p><i>"Where the spirit of the Lord is, there is Liberty."</i> 2 Corinthians 3:17 (Bible)</p>
Religious foundation	<p>This <b>government/state is god</b>. It sets the morals and values of those in its jurisdiction. These value are ever changing at their whim.</p>	<p>Sovereign Citizens are created by God and are answerable to their Maker who is Omnipotent. The Bible is the Basis of all Law and moral standards. In 1820, the USA government purchased 20,000 bibles for distribution.</p>
Sovereign to whom citizens owe "allegiance"	<p>Government</p> <p><i>"Allegiance. Obligation of fidelity and obedience to government in consideration for protection that government gives. U.S. v. Kyh, D.C.N.Y., 49 F.Supp 407, 414. See also Oath of allegiance or loyalty." [Black's Law Dictionary, Sixth Edition, p. 74]</i></p>	<p>"state", which is the collection of <i>individual</i> sovereigns within a republican form of government. The People, as individuals, are the "sovereigns":</p> <p><i>"The people of this State, as the successors of its former sovereign, are entitled to all the rights which formerly belonged to the King by his prerogative. Through the medium of their Legislature they may exercise all the powers which previous to the Revolution could have been exercised either by the King alone, or by him in conjunction with his Parliament; subject only to those restrictions which have been imposed by the Constitution of this State or of the U.S." [Lansing v. Smith, 21 D. 89, 4 Wendel 9 (1829) (New York)]</i></p>
Source of law	<p>"The state", which is mob rule living under a democracy rather than a <b>republic</b>.</p> <p><i>"You shall not follow a crowd to do evil; nor shall you testify in a dispute so as to turn aside after many to pervert justice." [Exodus 23:2, Bible, NKJV]</i></p>	<p>God, as revealed in the Bible/ten commandments. The sovereign People as individuals, to the extent that they are implementing God's law, and within the limits prescribed by the Bill of Rights and the Equal rights of others.</p> <p>(See book <i>Biblical Institutes of Law</i>, by Rousas Rushdoony)</p>
Purpose of law	<p>Protect rulers in government from the irate "serfs" and tax "slaves" that they govern and from the inevitable consequences of their tyranny and abuse</p>	<p>Protect sovereign people from tyranny in government and from hurting each other</p>
Political hierarchy (lower number has higher precedence)	<ol style="list-style-type: none"> <li>1. Ruler/king (supersedes God)</li> <li>2. Legislature</li> <li>3. Laws</li> <li>4. Subjects/citizens (slaves/serfs of the state)</li> </ol> <p>NO GOD. Atheist or anti-spiritual (remove prayer from schools, because belief in God threatens government authority).</p>	<ol style="list-style-type: none"> <li>1. God</li> <li>2. World</li> <li>3. Man</li> <li>4. "We the people"</li> <li>5. Grand jury, Elections, Trial jury</li> <li>6. U.S. Constitution</li> <li>7. Human government &amp; organized church</li> </ol>
Political system	<p><b>Municipal corporation</b> <b>Totalitarian Socialist democracy</b></p> <p><i>"Socialism: 1. any of various economic and political theories advocating collective or governmental ownership and administration of the means of production and distribution of goods. 2 a: a system of society or group living in which there is no private property b: a system or condition of society in which the means of production are owned and controlled by the state 3: a stage of society in Marxist theory transitional between capitalism and communism and distinguished by unequal distribution of goods and pay according to work done." [Merriam Webster's Ninth New Collegiate Dictionary, ISBN 0-97779-508-8, 1983]</i></p> <p><i>"Democracy has never been and never can be so desirable as aristocracy or monarchy, but while it lasts, is more bloody than either. Remember, democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy that never did commit suicide." [John Adams, 1815]</i></p>	<p><b>Republic</b></p> <p><i>"Republic: A commonwealth; that form of government which the administration of affairs is open to all the citizens. In another sense, it signifies the state, independently of its form of government." (Black's Law Dictionary, Sixth Edition, page 1302)</i></p> <p><i>"Commonwealth: The public or common weal or welfare... It generally designates, when so employed, a republican frame of government, one in which the welfare and rights of the entire mass of people are the main consideration, rather than the privileges of a class or the will of a monarch; or it may designate the body of citizens living under such a government." (Black's Law Dictionary, Sixth Edition, page 278)</i></p>
Status	<p>U.S. continues to be in a permanent state of national <b>emergency</b> since March 9, 1933, and possible as far back as the Civil War. See Senate report 93-549.</p>	<p>No state of Emergency and is not at war.</p>
Pledge	<p>"I pledge allegiance to the IRS, and to the tyrannical totalitarian oligarchy for which is stands. One nation, under fraud, indivisible, with slavery, injustice, and atheism for all."</p>	<p>"I pledge allegiance to the united states of America, and to the <b>Republic</b> for which is stands, one nation, <b>under God</b>, indivisible, with liberty and justice for all."</p>
Form of	<p><b>De facto</b> (unlawful)</p>	<p><b>De jure</b> (lawful)</p>

government	(See our article entitled "How Scoundrels Corrupted Our Republican Form of Government" for details on how our government was rendered unlawful)	
Constitution	Constitution of the "United States" <small>(See <a href="http://www.access.gpo.gov/congress">http://www.access.gpo.gov/congress</a>)</small>	Constitution of the "United States of America" <small>(See <a href="http://www.access.gpo.gov/congress">http://www.access.gpo.gov/congress</a>)</small>
Creator	Merchants, bankers through President Lincoln and his cohorts by act of treason. This martial law government is a fiction managing civil affairs	Created by God and sovereign Citizens acting under His delegated authority (see Gen. 1:26 and Gen. 2:15-17 in the Bible)
Origins	Gettysburg Address in 1864 and the Incorporation of District of Columbia by Act of February 21, 1871 under the Emergency War Powers Act and the Reconstruction Act	Started with the Declaration of Independence in 1776, Articles of Confederation in 1778, and the Constitution in 1787
Existence	Still existing as long as: 1. "state of war" or "emergency" exists. 2. The President does not terminate "martial" or "emergency" powers by Executive Order or decree, or 3. The people do not resist submission and terminate by restoring lawful civil courts, processes and procedures under authority of the "inherent political powers" of the people.	Adjournment of Congress sine die occurred in 1861
Governing body	The President (Caesar) rules by Executive Order (Unconstitutional).  Congress and the Courts are under the President as branches of the Executive Department.  Congress sits by resolution not by positive law.  The Judges are actually administrative referees and cannot rule on rights.	"We the People", who rule themselves through their <i>servant</i> elected representatives. See Lincoln's Gettysburg Address, in which he said: "A government of the people, for the people, and by the people"  Three separate Departments for the <i>servants</i> : 1. Executive. 2. Legislative-can enact <i>positive law</i> . 3. Judicial
Citizenship	"U.S. citizen" (Chattel Property of the government) are belligerents in the field and are "subject to its jurisdiction" (Washington, D.C.)  14 <sup>th</sup> Amendment citizens, implemented by the Civil Rights Act of 1866 for the newly freed slaves (are now the slaves of the corporate government plantation) <small>(See 8 U.S.C. 1401(a) at <a href="http://www4.law.cornell.edu/uscode/8/1401.html">http://www4.law.cornell.edu/uscode/8/1401.html</a>)</small>	"national" is "sovereign", "Freemen", and "Freeborn". Unless that right is given up knowingly, intentionally, and voluntarily.  "National of the United States of America"  <small>(see 8 U.S.C. 1101(a)(22)(B) at <a href="http://www4.law.cornell.edu/uscode/8/1101.html">http://www4.law.cornell.edu/uscode/8/1101.html</a>)</small>
Implications of citizenship	"U.S. citizens" were declared <i>enemies</i> of the U.S. by F.D.R. by Executive Order No. 2040 and ratified by Congress on March 9, 1933.  FDR changed the meaning of The Trading with the Enemy Act of December 6, 1917 by changing the word "without" to citizens "within" the United States	"nationals" are Sovereign citizens who supercode the U.S. Government is the enemy of liberty and should be kept as small as practical. <i>"Government big enough to supply everything you need is big enough to take everything you have. The course of history shows that as a government grows, liberty decreases." Thomas Jefferson</i>
Jurisdiction	Expands and conquers by deceit and fraud. Uses "words of art" to deceive the people.	Restricted by the Constitution to the 10 mile square area called Washington D.C., U.S. possessions, such as Puerto Rico, Guam, and its enclaves for forts and arsenals.
Civic duties-qualifications for	Must be a "citizen of the United States" to vote or serve jury duty	Must clarify citizenship when registering to vote and serving jury duty. In some states, cannot vote or serve jury duty
Vote	Is recommendation only.	Counts like one of the Board of Directors.
Rights and privileges	Inalienable rights.  Rights from the corporate government.  Statutory taxable "privileges" "Invisible contract" with federal government to "buy" (bribe into existence) these statutory privileges through taxes. See 48 U.S.C. §1421b: Statutory Bill of Rights.  <small>"The privileges and immunities clause of the 14<sup>th</sup> Amendment protects very few rights because it neither incorporates the Bill of Rights nor protects all rights of individual citizens. Instead, this provision protects only those rights peculiar to being a citizen of the federal government; it does not protect those rights which relate to state citizenship." Jones v. Tenmer 829 F. Supp. 1226 (Emphasis added.)</small>	Unalienable Rights. Rights from God. Constitutional rights-cannot be taxed

Value of the individual	<b>Bond Servant</b> To cover the debt in 1933 and future debt, the corporate government determined and established the value of the future labor of each individual in its jurisdiction to be \$630,000. A bond of \$630,000 is set on each Certificate of Live Birth. The certificates are bundled together into sets and then placed as securities on the open market. These certificates are then purchased by the Federal Reserve and/or foreign bankers. The purchaser is the "holder" of "Title." This process made each and every person in this jurisdiction a bond servant.	<b>Freeborn</b> Freeman Freeholder Sovereign "We the people..."
Welfare/social security	<b>YES:</b> Socialism-allowed and encouraged	<b>NO:</b> Not allowed. Everyone takes care of themselves

**FAMILY**

Purpose of sex	Recreation and sin. When children result from such sin, then abortion (murder) frees sexual perverts and fornicators from the consequences of or liability for such sin and maintains their quality of life. Permissiveness by government of abortion becomes a license to sin without consequence.	Procreation.  <i>Gen. 1:22: "And God blessed them, saying, "Be fruitful and multiply, and fill the waters in the seas, and let birds multiply on the earth."</i>  <i>Psalms 127: 4-5: "Like arrows in the hand of a warrior. So are the children of one's youth. Happy is the man who has his quiver full of them; They shall not be ashamed, But shall speak with their enemies in the gate."</i>
Purpose of marriage	An extension of the "welfare state" that financially enslaves men to the state and their wives and thereby undermines male sovereignty in the family.  <i>Prov. 31:3 says: "Do not give your strength [or sovereignty] to women, nor your ways to that which destroys kings."</i>	To make families self-governing by creating a chain of authority within them (see <i>Eph. 5:22-24</i> ). Honor God and produce godly offspring. ( <i>Malachi 2:15</i> )
Birth certificate	<b>Birth Certificate</b> when the baby's footprint is placed thereon <u>before it touches the land</u> . The certificate is recorded at a County Recorder, then sent to a Secretary of State which sends it to the Bureau of Census of the Commerce Department. This process converts a man's life, labor, and property to an asset of the US government when this person receives a benefit from the government such as a drivers license, food stamps, free mail delivery, etc. This person becomes a <i>fictional persona in commerce</i> . The Birth Certificate is an unrevealed "Trust Instrument" originally designed for the children of the newly freed black slaves after the 14th Amendment. The US has the ability to tax and regulate commerce EVERYWHERE.	
Education of young	Public schooling (brain washing of the young). School vouchers not allowed. This is a central plank in the Communist Manifesto. Purpose is to create better state "serfs".	Private schooling and school vouchers. Prayer permitted in schools.

**STATES**

The word "State"	In U.S. Titles and Codes "State" refers to U.S. possessions such as Puerto Rico, Guam, etc.	"state" when used by itself refers to the "Republics" of The united states of America
State governments	Politicians of each state formed a new government and incorporated it into the federal US government corporation and are therefore under its jurisdiction.  e.g. "State of California" corporate California California State	All of the states are "Republics"  e.g. "The Republic of California" "California republic" "California state" or just "California"
Origins of the states	The corporate States are controlled by the corporate US government by its purse strings such as grants, funding, matching funds, revenue sharing, disaster relief, etc.  The citizens of such States are "subjects" and are called "Residents"	<b>Sovereign Citizens</b> created the states (Republics) and are Sovereign over the states. The Republics and the people created the USA government and are sovereign over the USA government.
State constitution	The original constitution was revised and adopted by the corporate State of California on May 7, 1879 It has been revised many times hence.	California was admitted into the union as a Republic on September 9, 1850. The people created the original state constitution to give the government limited powers and to act on behalf of, and for the people. Called The "Organic" state constitution.
Rights of citizens in state	A one word change in the original State (California) constitution from "unalienable" to "inalienable" made rights into privileges <i>"Inalienable" means government given rights. "Unalienable" means God given rights.</i>	Adjournment <i>sine die</i> occurred in California in April 27, 1863

**JUSTICE SYSTEM**

Judicial function	Judicial Branch under the President	Judicial Department
Separation of powers	It is not separate, but is an arm of the legislature	Separate from all other Departments
Purpose of federal	Maximize power and control and revenues of federal government	Protect the Constitutional rights of persons domiciled in states

courts		of the Union
Constitutional authority for federal courts	Article I, II, and IV ("U.S. District Courts" and "Tax Court")	Article III ("district courts of the United States" in the District of Columbia, Hawaii, and the Court of Claims)
Venue	federal ( <i>federal</i> ) venue	<i>judicial</i> venue
Courts	<b>Corporate Administrative Arbitration Boards</b> Consisting of an Arbitrator (so-called "Judge") and a panel of corporate employees (so-called "Juries") Panel decisions (recommendation) can be reversed by the Arbitrator	<b>Constitutional Judicial Courts</b> with real Judges and real Juries who can judge the law as well as the facts Jury decisions cannot be reversed by the judge
Type of courts	Equity Courts, Municipal Courts--Merchant Law, Military Law, Marshall Law, Summary Court Martial proceedings, and administrative <i>ad hoc</i> tribunals (similar to Admiralty/Maritime) now governed by "The Manual of Courts Martial (under Acts of War) and the War Powers Act of 1933.	<b>Common Law Court(s)</b>
Trials	All legal actions are pursued under the " <b>color of law</b> " Color of law means "appears to be" law, but is <u>not</u>	The 7th Amendment guarantees a trial by jury according to the rules of the common law when the value in controversy exceeds \$20
Requirements of law	Covers a vast number of volumes of text that even attorneys can't absorb or comprehend such as: 1. Regulations 2. Codes 3. Rules 4. Statutes  Prior to bankruptcy of 1933 " <b>Public Law</b> "  Now the so-called courts administer " <b>Public Policy</b> " through the " <b>Uniform Commercial Code</b> " (instituted in 1967)	<b>Common Law</b> Has two requirements: <b>Do not Offend Anyone</b> <b>Honor all contracts</b>
Basis of judicial decisions	No <i>stare decisis</i> Means no precedent binds any court, because they have <u>no law standard</u> of absolute right and wrong by which to measure a ruling—what is legal today may not be legal tomorrow. So-called "court decisions" are administrative opinions only and are basically decided on the basis of "What is best for the corporate government."	<b>Constitution</b> Supreme Law of the land restricting governments. The "organic" Constitution and its amendments are created by the Sovereign living souls (We the people...) to institute, restrict, and restrain a <u>limited</u> government.
Nature of acts regulated	Legal or Illegal	Lawful or Unlawful
Lingo	" <b>at Law</b> " "Attorney at law"	" <b>in-law</b> " (i.e. "Son-in-law" or a "covenant in law")
Legal Counsel	<b>Attorney</b> an "Esquire" (British nobility) Attorney-at-law (licensed agents of the corporate administrative courts and tribunals in the US for the Crown of England)  Attorneys swear an oath to uphold the "BAR ASSOCIATION". The first letter of B.A.R. stands for "British".  (British Accreditation Regency) The BAR was First organized in Mississippi in 1825. The " <i>integrated bar</i> " movement, meaning "the condition precedent to the right to practice law," was initiated in the US in 1914 by the American Jurisprudence Society. --Black's Law Dictionary, 4th edition	<b>Counsel</b> or "Counselor <b>in-Law</b> " (Lawyer)
Claims	"Charge" or "Complaint" (administrative jurisdiction)	" <b>Claim</b> " (equity/common law jurisdiction)
Plaintiff/damaged party.	Compels performance No damaged party is necessary.	Must have <b>damaged party</b>
Court proceeding	"Public"	" <b>Private</b> "
Rights under justice system	No rights except statutory Civil Rights granted by Congress. Restricts freedoms and liberties.	Maintains rights, freedoms, and liberties
Role of courts	US citizens are at the mercy of government and the administrative courts and tribunals  Servants (subjects/ bond-servants) cannot sue the Master (Corporate government).	Unalienable rights, fundamental rights, substantial rights and other rights of living souls are all protected by The Law and protected by The "organic" Constitution and its amendments.
Bill of rights	The actual "Bill of Rights" was a declaration in 1689 by King William and Queen Mary to their loyal subjects of the British crown. If you are in this jurisdiction, you are a subject of the crown as well?	The first <u>ten</u> articles of <b>amendment to the constitution</b> are sometimes referred to as " <b>Bill of Rights</b> " which is incorrect. They are not a "Bill" but are simply amendments.
Due process	Due Process is optional--Sometimes Gestapo-like tactics without reservation.	<b>Due Process</b> is required <b>Writ of habeas corpus</b>
Innocence before the law	<i>Guilty until proven innocent</i>	<i>Innocent until proven guilty</i>

Juries	The juror judges only the facts and not the law--The judge gives the statute, regulation, code, rule, etc. Juries selected ONLY from within the federal zone	Jurors judge the law <i>as well as</i> the facts. Juries selected ONLY from within states of the Union and NOT the federal zone.
<b>DEBT</b>		
Bankruptcy	First <b>bankruptcy</b> was in 1863 In 1865 the total debt was \$2,682,593,026.53 A portion was funded by <b>1040 Bonds</b> to run not less than 10 nor more than 40 years at an interest rate of 6% Members of Congress are the official <b>Trustees</b> in the <b>bankruptcy</b> of the US and the re-organization	None
Income tax revenues necessary to pay debt	"All individual Income Tax revenues are gone before one nickel is spent on services taxpayers expect from government" --Ronald Reagan, 1984 Grace Commission Report	Wouldn't it be nice to be completely out of debt, personally, and have a stash of gold and silver besides?
<b>TAXATION</b>		
Federal income taxes	1. Illegally enforced. Government lies to citizens to steal their money. Corruption in the court. 2. States destroy personal liberties to get their share of federal matching funds. Example: Requirement to provide SSN to get a state driver's license.	Federal government has very limited income from only taxing foreign imports into states. Can't twist state's arm to destroy civic rights because it has so little income it won't give it away.
State income taxes	Treated as a "nonresident" of your state living on federal property (See, for example: <a href="http://www.leginfo.ca.gov/cgi-bin/displaycode?section=rtc&amp;group=17001-18000&amp;file=17001-17039.1">http://www.leginfo.ca.gov/cgi-bin/displaycode?section=rtc&amp;group=17001-18000&amp;file=17001-17039.1</a> and look at 17016 and 17018 off the California website at <a href="http://www.leginfo.ca.gov/cgi-bin/calawquery?code=section=rtc&amp;codebody=&amp;hits=20">http://www.leginfo.ca.gov/cgi-bin/calawquery?code=section=rtc&amp;codebody=&amp;hits=20</a> )	Treated as a resident of your state and not taxed because it would violate the Bill of Rights and 1:9:4 and 1:2:3 of the U.S. Constitution.
Personal Income tax rates (State plus Federal)	<b>High:</b> 50-70% because working is a "privilege" and because it is a "privilege" to be part of the "commune".	<b>None:</b> Working is a "right"
Limits	<b>No limit on taxation</b>	Limits on taxation
Purpose of Taxation	1. <b>Wealth redistribution (socialism) and to appease the whims of the democratic majority in spiteful disregard of the Bill of Rights.</b> 2. <b>Stabilize fiat currency system</b>	Support <i>only</i> the government and not the people in any way. See <i>Loan Assoc. v. Topeka</i> , 87 U.S. (20 Wall.) 655 (1874)
Income taxes	Income taxes are legal and ever increasing	<b>Direct</b> taxes such as "Income taxes" are <b>unlawful</b>
Indirect taxes	Other taxation's such as inheritance taxes are legal	Indirect taxes such as excise tax and import duties are lawful
IRS	IRS's 1040 forms originated from the 1040 Bonds used for funding Lincoln's War 1863, first year income tax was ever used in history of US The IRS is a collection arm of the Federal Reserve. The Federal Reserve was created by the Bank of England in 1913 and is owned by foreign investors. The IRS is not listed as a government agency like other government agencies.	No IRS
<b>FLAG</b>		
Flag	 <b>Not an American flag</b> Some say it is a flag of Admiralty/Maritime type jurisdiction and is not suppose to be used on Land. Others say it's not a flag at all, but fiction. However, the gold fringe which surrounds the flag gives notice that the American flag has been captured and is now being used by the corporate so-called "government."	 <b>American Flag</b> plain and simple--no gold fringe or other ornaments and symbolism attached
Requirements for flags	Appears to be an "American flag" but has one or more of the following: 1. <b>Gold fringe</b> along its borders (called "a badge") 2. <b>Gold braided cord</b> (tassel) hanging from pole 3. <b>Ball</b> on top of pole (last cannon ball fired) 4. <b>Eagle</b> on top of pole 5. <b>Spear</b> on top of pole Yellow fringed flag is not described in Title 4 of USC and therefore is illegal on land except for maybe (1) the President since he is in charge of Navel Forces on high seas, and (2) naval offices and yards. President Eisenhower settled the debate on the width of the fringe.  The so-called justification for a Navel/Maritime flag to be on land is that all land was under the high water mark at one time even if it was cons ago.	Prior to the 1950's, state republic flags were mostly flown, but when a USA flag was flown it was one of the following: 1. <b>Military flag</b> --Horizontal stripes, white stars on blue background** 2. <b>Peace flag</b> --vertical stripes, blue stars on white background--last flown before Civil War** <b>**Has no fringe, braid (tassel), eagle, ball, spear, etc.</b> (Although the codes do not apply here, the USA Military flag is described in Title 4 of USC) The continental USA is at peace
<b>BENEFITS</b>		

Benefits	<p><b>Inalienable rights</b></p> <p>Government given rights that are really <b>Privileges</b>. Can be taken away at any time</p> <p>So-called Benefits are as follows:</p> <ol style="list-style-type: none"> <li>1. <b>Social Security</b> (You paid all your working life and there are no guarantees that there will be money for you)</li> <li>2. <b>Medicare</b></li> <li>3. <b>Medicaid</b></li> <li>4. <b>Grants</b></li> <li>5. <b>Disaster relief</b></li> <li>6. <b>Food Stamps</b></li> <li>7. <b>Licenses and Registration</b> (Permission)</li> <li>8. <b>Privileges only, no Rights</b></li> <li>9. <b>Experimentation</b> on citizens without their consent.</li> </ol> <p>Corporate government steals your money and gets credit for helping others with it. Politicians in return create more such programs to get more votes. Eventually there is no more to collect and give. Everyone becomes takers and there are no givers. The government then collapses within. That is why democracy never survives, because the looters eventually outnumber the producers.</p>	<p><b>Unalienable rights</b></p> <p>God given rights</p> <p>"...incapable [emphasis added] of being aliened, that is, sold and transferred."  <b>Black's Law Dictionary, Revised Fourth Edition, 1968, page 1693.</b></p> <p>Enjoy:</p> <ol style="list-style-type: none"> <li>1. <b>Life</b></li> <li>2. <b>Liberty</b></li> <li>3. <b>pursuit of Happiness</b></li> <li>4. <b>full property ownership.</b></li> </ol> <p>No US benefits--Every living soul is responsible for themselves and has the option of helping others.</p> <p>Each living soul gives accordingly to help others in need and receives the credit or gives the credit to his Maker and Provider.</p> <p>No tax burdens or government debt obligations.</p>
----------	---	--

**RECORDS**

Location of records	<p>County Clerk  <b>Recorders Office</b>                  Created by statute to keep track of the corporate government's holdings which are applied as collateral to the increasing debt. The written records are a continuation of the "Doomsday Book" which keeps track of the Crown of England's holdings. The "Doomsday Book" originated as a written record of the conquered holdings of king William, which was later the basis of his taxes and grants.</p> <p>Property recorded at the recorders office makes the corporate defacto government "holders in due course"</p> <p>Your TV is not recorded there, therefore you are "holder in due course" for the TV.</p>	<p><i>Ex-officio</i> clerks                  County Clerk is also Clerk of the superior court, (i.e. a court of common law) and courts of record                  Records are also kept by Citizens such as in a family Bible</p>
Birth certificate	<p>"Birth Certificate" is required. It puts one into commerce as a <i>fictional persona</i></p>	<p>Record the date family members are born married, and the date they pass on in the Family Bible</p>
Marriage	<p>Must file a "Marriage License". The Corporate State becomes the third party to your union and whatever you conceive is theirs and becomes their property in commerce.</p>	<p><b>Common Law Marriage</b>                  Married by a minister or living together for more than 7 years constitutes a marriage</p> <p>Pastor may issue a Certificate of Matrimony</p>

**PROPERTY**

Property	<p><b>Privilege to use</b></p> <ol style="list-style-type: none"> <li>1. Fee title--Feudal Title</li> <li>2. <b>Grant Deed and Trust Deed Note:</b> GRANTOR and GRANTEE in all caps are <i>fictional persona</i></li> <li>3. Property tax (Must pay)</li> <li>4. Other taxes (such as water district taxes)</li> <li>5. Subject to control by government</li> <li>6. Vehicle Registration                      (The incorporated State owns vehicles on behalf of US)</li> <li>7. Property and vehicles are collateral for the government debt</li> </ol>	<p><b>Full and complete ownership</b></p> <ol style="list-style-type: none"> <li>1. <b>Allodial Title--Land Patents--Allodial Freeholder</b></li> <li>2. Can <b>not</b> be taxed (Only voluntary)</li> <li>3. You are <b>king of your castle</b></li> <li>4. No government intrusion, involvement, or controls</li> </ol>
----------	---	---

**MONEY**

Substance	<p>Has <u>no</u> substance--Built on <u>credit</u></p>	<p>Has <u>substance</u></p>
Controller of value	<p>Controlled by <b>US Treasury</b></p>	<p>Controlled by Treasury of the united States of America</p>
Money symbol	<p><b>Phony/Fiat Money</b>                  All computer programs are designed with the "\$" having only one line through it</p>	<p><b>Real Money</b>                  Most of us were taught to write the "S" with two lines through it. The two lines was a derivative of the "U" inside the "S" signifying real US currency based on the American silver dollar and gold-backed currency.</p>
Legal tender	<p>1. Federal Reserve Notes (FRN's)***</p>	<p><b>Silver coins*</b> (Silver dollar--standard unit of value)</p>

	<p>2. Bonds</p> <p>3. Other Notes--evidences of debt</p> <p>4. Cashless society--Electronic banking</p> <p><b>***Issued by the Federal Reserve Bank (FRB)--A private corporation created by the Bank of England in 1913 and is owned by foreign bankers/investors The Federal Reserve is a continuation of the "Exchequer" of the Crown of England.</b></p>	<p><b>Gold Coins*</b></p> <p>Paper currency <u>redeemable</u> in gold or silver*</p> <p>Spanish milled dollar</p> <p>*Issued by the <u>Treasury Department of the USA</u> (A Republic).</p>
Minting of money	The government must borrow before FRN's are printed. The FRB pays 2½¢ per FRN note printed whether \$1 or \$1000. The US in-turn pays FRB interest indefinitely for each outstanding note or representation of a note. With electronic banking FRN's are created out of nothing and nothing being printed. <i>What a deal!</i>	Coinage started in 1783. The first paper currency was issued in 1862. "Silver Certificates" last printed in 1957. Coinage of Silver coins for circulation ended with the 1964 coins. Redemption of "Silver Certificates" ended on June 24, 1968.
History	<p>The Greenback Act was revoked and replaced with the National Banking Act in 1863. An Act passed on April 12, 1866 authorized the sale of bonds to retire currency called greenbacks.</p> <p>FRN's (Federal Reserve Notes) were first issued in 1914.</p> <p>Just prior to the Stock Market crash of 1929, millions of dollars of gold was taken out of this Country and transferred to England.</p>	Constitution made all currency gold and silver.

**ROADWAYS**

Use of roadways	Drivers Licenses are required, because driving is a <u>privilege</u> .	Sovereigns have a <u>right</u> to use the public ways.
Driving "privileges"	May lose privilege or have it suspended at the whim of government	" <u>Liberty</u> of the common way"
Driver's licenses	Must comply with the Department of Motor Vehicles, the Vehicle Code, which is ever changing, and the Highway Patrol. Even a "Class 3" Driver's license is a "commercial" license. A "Driver" is one who does commercial business on the highways	<p>No "Driver's License" is required for private, personal, and recreational use of the roadways.</p> <p>A "driver's license" can only be required for those individuals or businesses operating a business within the rights-of-ways such as Taxi Drivers, Truck Drivers, Bus Drivers, Chauffeurs, etc.</p>
Definition of "Vehicle"	"Vehicle"--automobile or truck doing business on the highway	"Car"--short for "carriage" such as "horseless carriage" for private use
"Passenger"	"Passenger"--A paying customer who wants to be transported to another location	"Guest"--One who comes along for pleasure or private reasons without cost
Movement	"Drive"--The act of commercial use of the right-of-way	"Travel"--The act of private, personal, and recreational use of the roadways

**MAIL**

Types of mail	<b>Domestic</b> Mail that moves between D.C., possessions and territories of the U.S.	<b>Non-domestic</b> Mail that moves outside of D.C. its possessions and territories
Zip codes	<b>Zip Codes</b> are required when using "jurisdictional regions or zones" such as "CA", NV, AZ, etc.	Zip Code <u>not required</u> and should not be used.
Cost of stamp	Cost is 34 cents for first class	3 cents--Sovereign to Sovereign Otherwise 34 cents
Designation of regions	Must now use "jurisdictional regions or zones" such as "CA", NV, AZ, etc. Purposely used <i>ad nauseum</i> which means "no name at all"	Write out the state completely such as "California" or abbreviated "Calif.". Never use "CA" for an address to a Sovereign or in your return address.

**GUNS**

Philosophy on gun ownership	This government wants to <b>disarm</b> the Citizens so as to have complete control and power. Every tyrannical government in the past has taken away the guns to prevent any serious opposition or rebellion. History continues to repeat itself because the new generations who come along don't know or tend to forget about the past and will say it will not happen here.	<p>Sovereign Citizens have a <b>right</b> to own and use guns--"Right to bear arms" against "enemies foreign and domestic".</p> <p>The founding fathers knew the importance of protecting themselves from governments who get out of hand.</p>
Legal constraints on gun ownership	<p>Disregards the 2nd Amendment or justifies what weapons should not be legal. Ever changing and ever restrictive.</p> <p>Requires <b>registration of guns</b>.</p> <p>If any of you saw the motion picture called "Red Dawn" would realize that the enemy finds these lists and then goes door to door collecting all of the guns.</p>	<p><b>2nd Amendment</b></p> <p>Protects the Right of the people to keep and bear arms.</p>

**RELIGION**

Relationship between church and state	<p>This government wants to control the churches by having them come under their jurisdiction as corporations under Section 501(c)(3).</p> <p>This is to prevent the clergy, Pastors, Ministers, etc. from having any political influence on its members or the public in general. This government regulates what is to be said and not to be said.</p>	<p>Churches exist alone.</p> <p>No permission of government required.</p>
---------------------------------------	---	---

These churches also display the gold fringe flag.  
Their faith is in the government and not in God. They exist by permission of this government not by God alone.

They signed away their Birthright for a so-called benefit:  
"Tax-exempt corporation".

1st Amendment

Protects against government making a law that would respect an establishment of religion or prohibit the free exercise of a religion.
